... No 6243/45-44 dated 25-10-1943 from the Municipal Executive Engineer, Bangalore, to the Municipal Commissioner, Bangalore City Municipality, Bangalore City

Reference -

Municipal Commissioner's Memo No A2-A 1183/45 dated 2nd September 1943 forwarding for report the petition dated 9th September 1943 addressed to the Honorary President, by the contractor Mr Ramachandra Rao, regarding tenders for the formation of roads and drains in the layout for housing the poor near the Swimming Pool 'B' portion of Malleswaram

---

Submitted to the Municipal Commissioner

1 As per Law Secretary's letter No A 182/ 1 dated 6-7-1943 fresh tenders were called for for the above work and the tenders received were submitted to the Commissioner with a report A No 6 of 7-8-1943 for orders

2 Only two tenders were received from Messrs A Ramachandra Rao and Brothers and Messrs V Venkataramanappa and Veerappa jointly Out of these two tenders of Messrs V Venkataramanappa and Veerappa is the lowest by Rs 5,021-15-0

3 Now Mr Ramachandra Rao prays that the work for the same be entrusted to him at his tender rates on the ground that he sustained loss in the Market work at Malleswaram - a plea which he had put forth when he had tendered for these works in the first instance also

4 In the letter addressed to the Honorary Resident dated 9-9-1943 on which report is called for now, he has stated that if he is entrusted with the works immediately at his tenders rates he would not claim any enhanced rates for these works or any loss incurred in connection with the Malleswaram Market and that if this is not done, he would urge for the loss being made good by Municipality

5 In the earlier letter dated 30-10-1943 addressed to the Municipal Engineer with reference to notice issued to him re the points raised in the Law Secretary's letter of 6-10-43 he had stated that his claim to Malleswaram Market had nothing to do with his tender for these works, then pending consideration and that he would press for it until it is settled and that he would undertake the works tendered for at the revised rates, etc, Government on report of this, directed calling for fresh tenders

6 Whether in view of Law Secretary's letter of 6-7-1943 these terms would lapse and the matter would be considered in the light of Mr Ramachandra Rao's letter dated 9-9-1943 or the work would be entrusted to the lowest tender contractor regardless of the threat of Mr Ramachandra Rao is a point for consideration and orders It is stated by the petitioner Messrs Veerappa and Venkataramanappa that the allegation of loss by Mr Ramachandra Rao on account of Malleswaram Market has no foundation
